Schedule for the Oral Exam

Google Meet Link for the Exam will be shared with students shortly.

Instructions:

- An additional Google Meet will be created as **WAITING ROOM**. Students are requested to follow the schedule and wait in WAITING ROOM till they are let in. Please be present 5 minutes before your scheduled time.
- You are requested to ensure that you choose a quiet place to do your exam where you are not disturbed by noise and interruption during the exam.
- While we understand that individuals do not have control over network connection, but we still request if students can look for an area in their homes/outside where connectivity is better, and take their oral exams from that spot. It is difficult to organise online oral exams and new scheduling may not be possible.
- Wishing the best to all the students.
